<b>Tuesday, December 14th</b>					<b>Specialty Crops Meeting</b>				
	1:00 pm <b>What is Certified Organic Production?</b>  Cissy Bowman, Indiana Certified Organics		2:00 pm <b>Producing Pumpkins</b>  Liz Maynard, Purdue University		3:00 pm <b>WRP Successes at the Goose Pond</b> Dave Stratman, NRCS; Lee Sterrenburg, Audobon Society Bird Count; Gary Langel, IN DNR; Shannon Zezula, IN NRCS		4:00 pm <b>Turf – What Every CCA Should know</b>  Cale Bigelow, Purdue University		

**Don't miss the 2010 Conference:**

- Two-day format covers all four performance objectives for CCA, plus Professional Development.
- Maximum flexibility: participants can follow one track or choose multiple tracks; attend one day or two; most sessions offered twice.

- Nationally recognized speakers.
- All sessions in same area for easy rotation
- CCAs can earn 16 CEUs at single event
- Tue Evening Reception

- Network with CCAs, farmers, researchers, consultants, and industry folks.
- Each session equals 1 CEU
- Get a "jump" on winter meetings and consulting with timely information and data.

The Indiana Crop Adviser Conference will be hosted at the Indianapolis Marriott East, 7202 East 21st Street, Indianapolis, IN 46219, www.indianapolismarriotteast.com for directions. Individual Room Reservations: (317) 352-1231 or (800) 228-9290. A block of rooms has been reserved at a rate of \$85.00 / night single or double for December 14 and 15, 2010. Please let the hotel know you are with the Indiana Certified Crop Adviser Group. Reservations need to be made by November 29, 2010.
